

Mission Statement

River Restoration Northwest seeks to **advance the science and standards of practice of river restoration** through educational programs that emphasize an interdisciplinary approach to promote responsible practices, discuss and exchange ideas, assess projects, reflect on lessons learned, and provide technology transfer.

Convening Organization

- Symposium
- Speaker Series
- Short Courses
- Film Festival
- Social media, digital age?

Evolution of Perspective

That was then:

- Restoration Design Symposium
- Random acts of restoration

This is now:

- Integrated management
- Prioritization, resource allocation
- Strategic land acquisition
- Watershed resilience

Certificates and Programs

Mark your calendars
